Club trips in May

Living Rain Forest – 5th May

An intrepid band of 9 members went to the Living Rain Forest on the 5th May travelling in 4 classic and 1 modern car. The venue was two covered enclosures of tropical plants and numerous (caged) animals. Unfortunately the sloth was hiding somewhere in the canopy and could not be found for a photo. Overall an interesting visit (sadly not well supported by the club members) after which we headed to the Fox & Hounds at Theale for a good lunch before heading home.

The Mill House – 11th May

A number of club members attended a car meeting at the Mill House, North Warnborough. The weather was perfect and various marques were on display including Ryley, Austin, Morris, Bentley, and Talbot etc. Our thanks go to Andy Seager for making all of the necessary arrangements at the venue.

Mid Week Run – 15th May

(From Alan Pickett)

The weather was kind and the sun shone. Seven cars met at Andwell for a run down to the Flowerpots at Cheriton. We had only got as far as Mapledurwell when the road was blocked by a cement lorry making a delivery. We had to make a U turn in the narrow lane and head back to the A30. Five cars made it out but John & Pauline and Mick were stuck due to an idiot in a large pick up that refused to move, apparently because the 5 cars that passed him did not say thank you!! (I think that person desperately needs to get a life.) Two cars were stranded for a good few minutes whilst the idiot went about his business.

Eventually all arrived, a little fraught, but safely. The Flowerpots had arranged a long table for us in the barn and as ever the food was plentiful and reasonably priced. A photo from the starting point.

The next weekday run will be on Thursday 18th July for a trip to Lee on the Solent (fish n chips on the beach).

Basingstoke Festival of Transport – 19th May

This is an extremely popular show offering many attractions such as military vehicles, buses and exhibits by numerous car clubs. There are also side stalls selling everything from autojumble to toys and of course refreshments. After a dull start the day turned out to be hot and sunny and by late morning large crowds had arrived to marvel at the classic cars on display. NHAEG was well represented with around ten cars.
