BP Forecourt policy

BP forecourt policy bans refuelling if any part of the car is not closed - such as the case of a car which has the fuel filler under the bonnet, such as Bullnose & Flatnose Morris & MG, (Austin Sevens?) - even in the boot, as per the car in this video.

Drive it Day

Drive It Day April 21st 2024

Eleven classics joined at Blackbushe Airport where we joined several other, more modern and definitely faster cars. The eleven set off to complete a short 17 Mile run to the Crown & Cushion in Minley. Nearly all followed the route but all arrived safely (after some taking detours) at the pub for lunch. There was a long wait for food but it was good when it arrived and a bonus that we got a 50% discount due the long wait. The cars were 3 Sevens a Standard 8, Austin 10, Talbot, MGBGT, MG Midget, Rickenbacker, Morris 8, and the last remaining early MG.

AGM

The AGM will be held at the next club night on Monday 13th May. The club treasurer (Andrew B) has indicated he wishes to stand down and all nominations to stand as a new committee member should be sent to the chairman andrew.lambden64@gmail.com before the AGM. Elections for new committee members will be made by a show of hands at the club meeting.

Mid Week Run – 15th May

Tables have been booked for 20 at the Flowerpots, Cheriton. The starting point will be the Andwell Brewery café with an 11:00 departure following a slightly different route than previously. We should arrive around 12-12:30 for lunch.

The Flowerpots Inn is located in Cheriton near Alresford [The Flower Pots, Alresford SO24 0QQ](https://www.google.com/maps/place/The+Flower+Pots,+Alresford+SO24+0QQ) We have visited before and the food is good with reasonable prices.

If you wish to join the run please email Alan Pickett a.pickett@ntlworld.com

50th Anniversary lunch – 14th July

39 people have paid their deposits and the balance of £23 per person is now due. All monies are to be paid to Don B, either cash or cheque **payable to NHAEG**, by the next club night on 13th May. Cheques may also be sent to:

Don Breakspear, 4 Buchanan Drive, Finchampstead RG40 4EF

Tweseldown classic car and motorcycle show – 23rd June

Tweseldown Racecourse, Bourley Road, Church Crookham, Fleet GU52 8AD

There will be class trophies, an auto jumble, refreshments including a bar and BBQ and a raffle.

Car entry from 8am for breakfast

Show opens and judging commences at 10am, show closes 4pm

Cost of £10 per entry (plus £1.20 booking fee) covers driver and 1 passenger, additional passengers are £1 each. Public entry £5 (pay on the gate) Children under 12 are free. All proceeds will go to the Hampshire and Isle of Wight Air Ambulance.

All club bookings to be made via Trevor Mulford trevormulford1942@gmail.com

Causes of Black Smoke

WHITE SMOKE

COOLANT LEAKAGE
INTO COMBUSTION
CHAMBERS

BLUE SMOKE

YOUR ENGINE IS
BURNING OIL

BLACK SMOKE

YOUR ENGINE FUEL
MIXTURE IS TOO RICH

Rich fuel mixture: Too much fuel in the air to fuel mixture can result in incomplete combustion, leading to the production of black smoke.

Clogged air filter: A dirty or clogged air filter restricts air flow causing an imbalance in the fuel to air ratio and potentially resulting in black smoke.

Fuel pressure: A faulty fuel pressure regulator can cause excessively high fuel pressure, resulting in a rich fuel mixture and black smoke.

Engine timing problems: incorrect ignition timing can disrupt the combustion process and lead to the production of black smoke.

Exhaust system restrictions: Blockages in the exhaust system, can cause black smoke due to poor exhaust gas flow.

Stay safe
NHAEG Committee
